Hi Lorena,

9:30 works for me – I need to be at the Ports Cars and Stripes event by 1pm.

Can we see what you plan to put in the signs?

Thanks,
Augie

Subject: Request Confirmation of Installation Trolley Stop Signage and Poles on Friday, June 30, 2017 @ 9:30 am

Good afternoon,

I wanted to confirm the installation of the trolley stop signage and poles on Friday, June 30, 2017 at 9:30am. If you need an earlier start time, please let us know.

Augie, do we need POLA permission to install the poles?

Randy, we will need the signs installed at the following locations. Some locations will need poles and are indicated below. Please make sure that the pole at the Battleship Iowa is installed in a sleeve so that they can remove the poles if needed. Are the poles with the sleeves designed to be locked? I'm not sure if they should all be installed with sleeves. Are they easy to remove?

- 1) Battleship Iowa - Needs pole with sleeve installed.
- 2) 6th Street - Disregard location on attached diagram. Install the trolley stop on the existing pole. Photo attached.
- 3) 7th Street Light pole across the street from Sirens
- 4) Crafted at the POLA - Need new pole with sleeve.
- 5) Cabrillo Beach - Mount on existing pole.
- 6) DoubleTree Hotel - Need pole installed. Option 1 selected.
- 7) Sampson Way - Install on existing pole across the street from the overflow parking area.
- 8) Ports O'Call Village - Install on existing pole.
- 9) Maritime Museum - Install on existing light pole.

Please confirm if 9:30 am will work for you. Let's meet at the Battleship Iowa unless you prefer a different starting point.

Thank you.
